

Agreement to Register and Pay for Course

1. The undersigned has been accepted to the Germany Program conducted by the College of Business of Florida International University (the "University"), which will take place from March 14 - 23, 2003 in _____ (Country).
2. One of the requirements of the Germany Program is to register and pay tuition and related fees for MAN 4633, MAN 4722, or MAN 4930 during the Spring Semester 2003.
3. The undersigned agrees to register and pay the required fees for one of the courses listed in paragraph 2 above. However, payment of courses offered during the Spring Semester is not due until January 3th, 2003.
4. Accordingly, as a consideration of the University allowing the undersigned to participate in the Germany Program prior to paying the above mentioned tuition and fees, the undersigned agrees to timely register and pay for one of the courses listed in paragraph 2 upon the undersigned's return from the Germany Program trip.
5. If for any reason, I fail to either register or pay for one of the courses listed in paragraph 2 above, I authorize the University to register me for one of the courses and to endorse in my name and deposit in a University account, for the payment of said course, any checks, warrants or drafts payable to me. In the event no funds payable to me come into the hands of the University to fully satisfy this obligation, I understand that the University will consider me a debtor and place my name in accounts receivable until such debt is fully satisfied. I acknowledge and agree that under University policy, my failure to pay said debt will result in the withholding of my grades and transcript, and other penalties.
6. This agreement shall be effective upon my signing it and it shall be binding upon my heirs, executors and assigns.

In witness whereof, the undersigned has caused this Agreement to Register and Pay for Course to be duly executed on the date set forth under his/her name.
